## EXPERIENCE

### **Saiko Sushi, Coronado — Host and Busser**

Nov- 2021 - PRESENT

I am responsible for answering the phone, maintaining the seating for the restaurant, and ensuring the customer gets into the restaurant in a timely manner.

### **Benihana, Sterling VA — Server**

Nov-2020 - Apr 2021

I was in charge of ensuring the customers had a pleasant time while dining at Benihanas.

### **Buffalo Wing Factory, Loudon VA — Server**

August 2019 - Sept 2020

I was responsible for receiving their orders, running the food, and ensuring the customers had an enjoyable time at the restaurant.

## EDUCATION

### **UCSD Coding Bootcamp, San Diego CA — Certificate**

Sep 2021 - March 2022

While enrolled in the program, I learned HTML, CSS, Javascript, and Node.js.

## PROJECTS

### **Covid Travel Search — A online web browser tool**

An online tool to search for the restrictions to travel to another country.

## SKILLS

HTML, CSS, Javascript, Node.js, Unit testing, and Python.

## LANGUAGES

English, Korean
